

Consultant

Competitive salary + performance-related pay and benefits

Corporate Citizenship is a global business consultancy specialising in sustainability and corporate responsibility. The team uses expert insight and a simplified approach to sustainability to deliver growth and long-term value for business and society. With teams in London, Melbourne, New York, San Francisco, Santiago and Singapore we work with clients on both a local and global level to achieve their commitments to responsible business behaviours and sustainable practices. We advise on a number of areas including strategy, community, engagement, environment, supply chain, socio-economic impacts, reporting, and assurance – helping clients to make the smart choices that will enable them to survive and thrive in an increasingly challenging business environment.

We are currently looking for a Consultant for our London office. You will have the opportunity to work alongside our global team members on a variety of projects, carrying out research and analysis, working directly with clients and contributing to the development of new business opportunities.

The successful candidate will have a positive, entrepreneurial approach with enthusiasm for team working and a passion for learning. You must be client focused and able to develop new business.

This role will be a perfect fit if you can demonstrate the following:

- Have 3-5 years' work experience in a relevant role
- A team player who can manage project teams on time and on budget
- Able to produce high quality client work with minimal supervision
- Developing creative corporate responsibility and sustainability programmes to meet client needs
- Researching, analysing and interpreting complex information
- Excellent written communication skills with strong attention to detail
- Presenting information clearly to a business audience in oral and written form
- Building and managing relationships and developing new business opportunities. including supporting our senior team in developing new business

This position will suit someone who is looking to develop their career in this area as it will provide a wide range of experience.

To apply please send your CV and a covering letter outlining:

- The main areas of corporate responsibility and sustainability in which you have experience and expertise
- Your current salary / expectation
- How you meet the person specification above
- Why you are the best candidate for the job
- Confirmation that you are eligible to work in the UK
