

Senior Consultant (Environment) – London

Competitive salary + performance-related pay and benefits

Corporate Citizenship is a global management consulting firm specialising in corporate responsibility and sustainability. We have a team of 40 people in five locations around the globe. We advise companies on their strategies for responsible and sustainable business. We are one of the longest-standing specialist, global consulting firms and work with a wide range of companies from global leaders to those starting out on their corporate responsibility journeys.

We are seeking a Senior Consultant with deep knowledge of and background in wider environmental issues, assurance, reporting, and supply chain strategy.

The successful candidate will have a positive, entrepreneurial approach with enthusiasm for team working and a passion for global issues. You must be client focused and be able to demonstrate the following skills and experience

- Have a minimum of 7 years' work experience in a relevant role (consulting or combination of consulting and in-house)
- Managing multiple projects independently with minimal supervision to meet tight deadlines to produce high quality work which meets clients' needs
- Manage client relationships and project teams with oversight from a senior colleague
- Presenting information clearly in oral and written form to a business audience
- Building and managing relationships and developing new project opportunities where appropriate.
- Develops new ideas to increase revenue
- Track record of successful business development

To apply please send your CV and a covering letter outlining:

- The main areas within the sustainability and corporate responsibility field in which you have particular experience and expertise
- How you meet the person specification above
- Why you are the best candidate for the job
- Current salary and benefits
