

## **Environmental Senior Researcher – London**

### **Competitive salary + performance-related pay and benefits**

Corporate Citizenship is a global management consulting firm specialising in corporate responsibility and sustainability. We have a team of over 40 people in six locations around the globe. We work with a wide range of companies from global leaders to those starting out on their corporate responsibility journeys.

We are seeking a Senior Researcher with an environmental background and an interest in pursuing a career in sustainability data assurance, carbon footprinting and environmental strategy setting, to help support on a wide range of exciting environmental projects.

The successful candidate will have a positive, entrepreneurial approach with enthusiasm for team working and a passion for global environmental issues.

### **You must demonstrate the following skills and experience in your application:**

- 1-3 years relevant experience working in an environmental role (sustainability consulting, assurance and/or a corporate in-house role).
- A degree or masters level qualification in a relevant subject (sustainability, environmental science, geography, corporate social responsibility).
- Understanding of sustainability either through work experience or technical or academic training.
- Experience in research and evaluation.
- Ability to work with data and strong analytical skills.
- Excellent written communication skills with strong attention to detail.
- Advanced Microsoft PowerPoint, Word, and Excel skills.
- Ability to work on multiple projects and deliver to tight deadlines.
- Good team player who is able to effectively communicate and build working relationships.
- Critical thinking, fast learner, proactive, and flexible.

### **Desired experience:**

- Experience in working with relevant assurance standards (GRI, AA1000, ISAE 3000, etc.)
- Experience with calculating carbon footprints and knowledge of relevant standards such as the GHG Protocol.

### **To apply please send your CV and a covering letter outlining:**

- Past experience that illustrates how you meet the specific requirements.
- Why you are the best candidate for the job.
- Your salary expectations.
- Your eligibility to work in London
