Our Southeast Asian office (based in Singapore) is now seeking an individual with experience in advising or working within large companies in the area of corporate social responsibility (CSR) and sustainability. The incumbent will join our growing team in Singapore and is expected to conduct research, manage projects, support client work and contribute towards new business activity.

The ideal candidate will have:

- a minimum of 2 years professional experience in a relevant position
- a university degree with an element of sustainability / CSR
- an understanding of the Singapore/Asian region and work experience in the region
- strength in research and writing in the areas of business, environment, social and governance
- experience of managing clients, delivering consulting/advisory projects and winning new business
- possess the necessary permit to work or reside in Singapore

This position is a term contract of 1 year, with the possibility to extend. It will suit someone who is looking to develop their career in sustainability as it will provide a wide range of experience.

To apply, please send your CV and covering letter outlining:

- The main areas within the sustainability and corporate responsibility field in which you have particular experience and expertise
- How you meet the person specification above
- What your **current** salary package is
