

## Senior Consultant – New York

Corporate Citizenship is a global management consulting company specializing in corporate responsibility and sustainability. We use clear insights and a simplified approach to sustainability to deliver growth and long-term value for business and society. We have offices in London, New York, San Francisco, Santiago, and Singapore.

We are seeking a Senior Consultant with significant experience in corporate responsibility (CR) and management consulting to join our enthusiastic and knowledgeable US team. This position will suit someone with a positive, entrepreneurial way of working, enthusiasm for team-working, and a passion for global issues. You must be client focused with strong communication skills.

The successful candidate will have:

- A minimum of 5 years of experience in a corporate responsibility role (sustainability consulting and/or corporate in-house role)
- Experience managing multiple projects independently with minimal supervision to meet tight deadlines to produce high quality work which meets clients' needs
- Strong communication skills with an ability to present information clearly in oral and written form to a business audience
- Ability to manage client relationships and project teams with minimum oversight from a senior colleague
- Demonstrable experience in building and managing relationships and developing new project opportunities where appropriate
- Ability to develop new ideas to increase revenue
- Excellent educational background: MBA or other advanced education (preferred).

This position is available immediately. To apply please send your resume and covering letter outlining:

- The main areas within the corporate responsibility and sustainability field in which you have particular experience and expertise.
- How you meet the job requirements outlined above
- Your **current** compensation package.
- Confirmation you are eligible to work in the United States.

We will offer a competitive compensation package that includes salary, benefits and bonus based on meeting targets.

This role is full time and will be located in the United States. If the person is located outside of New York City, travel to our New York office on a regular basis will be required. **To apply for this post, non-US applicants need to already have the relevant documentation to work in the US.** Please send this information to: [recruitmentus@corporate-citizenship.com](mailto:recruitmentus@corporate-citizenship.com)
