

# CORPORATE CITIZENSHIP HELPING YOU UNDERSTAND YOUR DJSI RESULTS AND IMPROVE YOUR SCORE

Since the first Dow Jones Sustainability Index was constructed over 20 years ago, we have worked with companies to get the most out of the assessment.

## Our DJSI results support

Understanding and analysing your DJSI results is critical to identifying gaps and improving your score. We provide a comprehensive service offer, tailored to support you.

**German**  
Latin America

**Jessica**  
Asia

**Peter**  
Europe

**Jenn**  
Australia

**Charlie**  
North America

**Katie**  
Europe

## Detailed quantitative results analysis

Our custom-made analysis tool allows automatic analysis of your DJSI scores, highlighting performance over time, and enabling you to understand YOY changes across a number of metrics and identify priority areas for action.

## Gap analysis and recommendations

A management report including detailed analysis of your submission strengths and weaknesses, and specific recommendations to improve your score in every criterion, enabling you to develop a work plan to address gaps.

## Our leading experts around the world

Our DJSI experts are based across **5** continents and hold a wealth of experience. In 2019 alone we worked with around **50** companies across **30** industries, including **3** industry leaders.

**Get in-touch and we'd be happy to provide a demonstration of our analysis tool and discuss how we can support you:**
